Powerlifting Team Is Crushing It

The Holden High School Powerlifting Team is off to an impressive start as they begin their 2025 season. With around 50 student-athletes representing all grade levels, the team is growing in both numbers and ambition. Last year, the Eagles competed in two events, but this year, they aim to double that. At the Lansing Lion Classic on January 25, the lifters put in a strong performance. The Junior Men's Team (9th & 10th grades) placed 4th overall, then Men's Team (11th & 12th grades) finished 6th, and the Women's Team secured an outstanding 3rd-place finish. Their next challenge is Saturday, February 8, at the Bobcat Power Invitational.
